13. Correspondence

20 mph signs within the village

The Clerk had requested information from Lancashire County Council regarding the removal of several of the newly sited 20 mph signs. This reply received.

'A review of short roads and cul-de-sacs which had been included within the 20 mph programme has recently been undertaken. As a result of this review, some roads which were deemed unsuitable for a 20 mph speed limit, due to the short length of road, have had signs removed. I can confirm that some roads within the Read and Simonstone area were included within this review and as such the signs will have been removed as a result of this.'

RESOLVED: The Parish Council requested the Clerk to write to Councillor Albert Atkinson expressing their concerns regarding this initiative and the perceived lack of co-ordination in this matter.

Planning Application No: 3/2013/0513

Proposal: Proposed erection of 2 detached dwellings

Location: 8 Hammond Drive, Read BB12 7RE

Response required by: 5 July 2013

RESPONSE

The Parish Council are concerned that the proposed development has parking provision for only 2 cars per house and that it further intrudes into the countryside, being outside the settlement boundary. Some local residents have strong misgivings regarding damage to the access road (Hammond Drive) during construction.

The Parish Council feel that flagpoles would be visually intrusive and would detract from the general rural appearance of the village.

Location: Glenlivet, Straits Lane, Read BB12 7PE
